Weston,

Thanks for finishing up the landscaping job at our house. It looks beautiful! Also wanted to thank you for constantly keeping in touch with my builder, irrigation people and myself as to what was going on and what timeline I could expect. I know the weather didn't always cooperate, but Hanna and I couldn't be happier with the way things look. Feel free to stop by anytime for a beer and look for the invite to hopefully many happy Hawkeye parties this fall.

Take Care,

Bob, Hanna, Cassy & Olivia
